It was brought to our attention that it is being discussed to add a lighted electronic sign to the front of the church. It was decided that a letter stating CWF's concern would be written and given to the church board. The monthly CWF Meetings are held on the second Thursday of each month at 9:30 am, all ladies of the church are invited to attend.

If you have bar codes from Best Choice, Swanson, Campbell's or Bic products, please continue to bring them. They help purchase items for the Woodhaven residents. Remember the Food Center and the Clothes Closet with your donation. Hunger and other need do not take a vacation.

The property committee met August 2 with 7 members and one guest present. There has been discussion on construction of ice guards to protect the roof, there is 599 ft. of the roof to be protected; research is still in process. The southwest corner of the basement work is done and already being put to good use. The exterior stone work is progressing. The landscaping of the courtyard is underway.

The stained glass window installation has been delayed until 3rd or 4th wk. in August. Two weeks has been scheduled for the return installation and removal of windows for Phase 2. The windows are ready for transport. The CLC Round Stained Glass Window is nearing completion and will be installed with Phase 1 windows in August

Two bids for a digital sign to be installed in front of church have been one received one, from Gator Graphic of Warrensburg the other from Impact of Sedalia. The property committee recommends that we consider the lower bid of Gator Graphic. A vote was tabled allowing time for the property committee to attend the CWF meeting to address their concerns.

Everything is going well in the Nursery, the attendants are enjoying the video system allowing them to see and hear our church service.

The Youth Group and DOC will resume their meetings in September.
