In May the Youth visited our member in the care centers, celebrating May Day. That was their last meeting for this school year, they will resume in September.

The Disciples on Campus have completed the study "Christian...It is Not What You Think" by Andy Stanley. They will take a break over summer and resume their meetings in September.

The nursery committee says that everything is going very well. We now have the video system hooked up to the Nursery so with the audio that was already there; the people in the Nursery can see and hear the church service.

The Membership and Evangelism committee is organized for June to make deliveries of our Carnation Ministry and preparing the Coffee Fellowship that follows the 10:40 Worship Service.

Four members of CWF traveled to Springfield on June 5th to attend a meeting to learn of the status of the Ozark Lakes and Region Disciples Women; topics also included social action, study and worship. The keynote speaker was Betty Quicksall who shared her experiences about the 2016 Women to Women trip to Ghana and South Africa. A group of members will be attending the Johnson-Henry County women's meeting on June 13th. Work will begin soon on the annual rummage sale. Items may be brought to the church. Our study on hospitality for the year 2016-17 has ended. We will begin a new study from the Disciple Women study "Just Women" in August. Officers will be installed at the July meeting. We sent 100 pair of shoes to our service project of Sole Hope, however due to a lack of sponsorship at the international level, the Sole Hope project is on hold. It is hoped that it will be reinstated soon. CWF would like to thank Claudeen Hannah for providing lunch for our group that visited our shut-ins in May. The monthly CWF Meetings are held on the second Thursday of each month at 9:30 am, all ladies of the church are invited to attend. Our next meeting is July 13.

Don't forget the Food Center and Clothes Closet in your monthly giving, there is always a need. If you have bar codes from Best Choice, Swanson, Campbell's or Bic products, please bring them to the Parlor Kitchen. They will help purchase items for the Woodhaven residents.

The property committee met June 7 with 6 members present. There has been discussion on construction of ice guards to protect the roof; research is being done at this time. Saturday the committee plans to complete the tearing out of old wood panels in southwest corner of the basement, eliminating mold and mildew. The southwest corner of basement exterior was sealed at the sidewalk and stonewall. We are now ready to build a new wall and additional shelves. The exterior stone work is scheduled to begin June 19. The stained glass window installation is anticipated about mid-August.

Our next Board Meeting will be held on August 2, 7:30 p.m.

Karen Love, Board Secretary
