This is just a tentative schedule. It can be changed. If there is a date that does not work for you please call Cindy in the church office and she will change it around. Or if you are unable to serve call one of the other names on the list and switch with them. I am enclosing a list of phone numbers for all the Liturgist. Let the office know so it will be right in the bulletin. Thank you.

The Liturgist is responsible for the invocation and reading the first scripture during the worship service.

I will get you the scripture ahead of time so that you are familiar with it. I usually send it by email. If you need help with an invocation we do have books on prayer in the church office. Another resource for prayers can be found at www.textweek.com and click on the appropriate Sunday and if you scroll down to about the middle

of the page there are some samples of prayers. If you want them printed for you, call Cindy in the church office.
